

Marie Tormey	Co-opted Governor
Term of Office	01/09/2016 – 31/08/2020
Meetings Attended This School Year	

I have worked in Education Recruitment for 14 years and for the past 3 years specialising in permanent Teacher and Leadership recruitment. I have supported a number of multi academy Trusts, Diocese and Local Authorities to secure the very best teaching and leadership talent. I am passionate about closing the gap and improving social mobility and I believe this can be achieved by identifying inspirational leaders who can have a positive impact on young people and the choices they make.

My role within the Governing body is very much child centred; ensuring all of our policies and strategic direction will improve progress and attainment for young people , whilst supporting and offering challenge to the Principal where required.
