

Traineeship Job Description

Childcare

An exciting opportunity has become available for someone to join our team working in the Nursery. The candidate will be working alongside qualified staff assisting with daily routines and supporting children's interactions, learning and play.

Main Responsibilities

- To learn how to complete planning sheets/written observations.
- To be competent on how to complete the sheets for child's learning journeys.
- To work within the team at all times and be under the supervision of the room leader.
- Feeding and changing.
- Craft and learning activities.
- General day to day care of the young children.
