

<b>Darren Strong</b>	<b>Parent Governor</b>
<b>Term of Office</b>	<b>01/02/2018 – 31/01/2022</b>

I am an experienced Technical Manager with over 15 years of experience leading 30 technical personnel who provide a client base of over 300 clients with a variety of services, to align to their business goals.

I sit on the executive management team, managing budgets and high level strategic objectives to drive our people and our business to the next level of achievement and the best in class.

My key contributions to the governing body will come from a desire to ensure that every young person achieves their full potential, my knowledge of operational structures and my experience of bringing together next generation leaders.
