

Hooshang Rahmani	Board Appointed Governor
Term of Office	04/09/2017 – 03/09/2021

Hooshang has twenty-six years of experience in the education and skills sector, working at a senior level in a College of Further Education and Skills Funding Agency with responsibility for a large budget and more recently leading on the development and delivery of Apprenticeship in the West Midlands.

Throughout his career he has focused on achieving the best outcome for all learners and widening access in some of the most deprived parts of the country.

He is passionate about learning and believes Technical and Vocational Education is fundamental to our future prosperity.

Hooshang is looking forward to supporting the senior team to deliver the school's strategic objectives and to ensure that we are an inclusive learning community responding to the ever changing world of work.
