Education is a partnership between home and School. Studio@Deyes will do its best to enable pupils and staff to develop spiritually, morally, socially, culturally, intellectually and physically in a safe and professional environment. Our aim is to produce the opportunity for all to be leaders in education and industry. We will strive to ensure everyone in our community has a confidence in their own powers to create opportunities and a determination to turn that opportunity into successful outcomes.

**Studio@Deyes aspires to achieve its aims by:**

- Developing the individual talents of all pupils to their fullest potential, enabling them to gain the best results, qualifications and skills of which they are capable;
- Engendering a sense of personal worth and physical well-being, enabling pupils to become self-confident, self-reliant, self-disciplined and responsible, in a professional environment that offers support and guidance to all.
- Creating an engaging, purposeful and project based creative process for teaching and learning.
- Promoting high standards of behaviour, excellent personal relationships and a respect for the individual whatever his or her age, abilities, race, background or creed.
- Providing an environment in which all staff experience a sense of professional well-being and are willing to give of their best.
- Fostering the partnership between pupils, staff, parents/carers, governors, employers and the wider community.

As part of this agreement, you can expect the following from us:
